## An Educational Program

*Send your child to The Berkshire Humane Society during school vacations for an educational experience with animals in a classroom environment*

.....

Each day of camp will have different subjects from the world of animals: Including taking care of domestic pets, wildlife, and learning about exotic animals from around the globe. "Furry Visitors" are part of the experience and will be coming into the classroom whenever possible. Please consider this if your child has pet allergies before sending them to camp.
